### REMEMBER TO SECURE THE U-LOCK

Place the U-Lock in the holster on the side of the bike when riding.

Use the U-Lock to secure the bike at a station when done riding.

### KNOW THE SYSTEM AREA

You are allowed to ride outside the system area and avoid the \$20 fee? Push the "HOLD" button before locking the bike to prolong your rental for up to 60 minutes. To resume your ride, simply enter your PIN, holster the lock and go.

Want to make a stop outside the system area and avoid the \$20 fee? Push the "HOLD" button before locking the bike to prolong your rental for up to 60 minutes. To resume your ride, simply enter your PIN, holster the lock and go.
